

2013

DONOR IMPACT REPORT

Accomplishments

Dear Friends,

Thanks to your generosity, we celebrated 2013 with the largest graduating class in our history – 156 students who achieved their dream of a high school diploma. We salute our graduates for their dedication and perseverance through their school years – often against tremendous odds. We honor their families for their commitment to their children's education. And we are grateful for each of you – without your kindness and generosity our work would not be possible.

In 2013 our revenues grew to \$4.26 million. As always we strive to spend every dollar you invest in our programs wisely, with more than 82% spent directly on programs that served 3,104 students and their families. Please know that we remain hard at work, planning for the future and running a growing organization as we believe you would want it run.

Thank you for your generous financial support,

Shari Blindt
