

WITNESS CIRCLE

Recognizes annual leadership gifts of \$1,000-\$2,499

Not long ago a donor returned from his trip to Guatemala and shared that he had just been witness to life changing perspectives. He shared his desire to do more than just be a witness to the poverty and inequity in Antigua. We told him he could give of his time, talent or treasure. Leadership gifts between \$1,000-\$2,499 make big things happen: homes, roofs, surgery, high school. Common Hope Witness Circle members are so much more than onlookers. They are changemakers.
